DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

Two mid block rowhouses have been combined for this business establishment, both have first floor shopfronts. The one to the left (225) is 3 stories high with a shallowly sloped peaked roof. The shop window is on the left with the entrance door of wood and glass to the right. There is a low brick base under the display window and a sign board above it. An air conditioner is mounted above the door. The running board brickwork of the upper floors has been painted cream with striped joints. Two windows have stone sills and splayed brick lintels. The two on the second floor are 6-over-6 and the 2 third floor windows are 3-over-3. Two courses of corbeled bricks form a simple cornice.
